

# Let's Put Abuse Out Of Commission!

**YES!** I want to join the Royal LePage Shelter Foundation to help women and children safely escape violence. 100% of my donation helps this cause as Royal LePage covers all operating costs.

I would like to donate the following from **each deal** I make (please check one):

- \$20 per deal can pay for much needed school supplies for a child who escaped a violent home
- \$30 per deal can supply a mom and her baby a kit with all the basics a newborn needs
- \$50 per deal can provide two women access to education, training, financial and housing assistance workshops
- \$100 per deal can feed a mom and her child three nourishing meals a day for one month
